- 27 2. All “FDA files,” including clinical trials relevant to the issue of general  
28 causation, must be produced on or before **May 9, 2014**. A case manage-

1 ment conference with respect to the status of the document production in  
2 this regard will be held on **May 28, 2014 at 1:00 PM** in Courtroom 3B.  
3 The parties may appear in person or telephonically for the May 28, 2014  
4 conference. Any call-in instructions and a list of the individuals who will  
5 be appearing telephonically must be submitted to the Court via e-file no  
6 later than **May 23, 2014**.

- 7 3. All key custodian files must be produced on or before **June 16, 2014**. A  
8 case management conference with respect to the status of the document  
9 production in this regard will be held on **July 1, 2014 at 9:00 AM** in  
10 Courtroom 3B. The parties may appear in person or telephonically for the

12 als who will be appearing telephonically must be submitted to the Court via
